

## Call for Papers

*Journal of Independent Studies and Research – Computing* invite researchers, industry experts, academia, consultant and students to submit original articles, reviews and letters to be published in upcoming issues of 2017.

The Journal of Independent Studies and Research - Computing is a biannual peer reviewed publication of SZABIST. As Pakistan's first online refereed journal, this initiative seeks to encourage and stimulate research in Pakistan by providing a means to facilitate reporting and dissemination on current research being conducted in the diverse field of Computing Technology.

This peer reviewed online journal call research articles, reviews and letters in all areas of computer sciences for submission. The topics covered but not limited to;

- Theoretical and mathematical aspects include algorithms and computability,
- Artificial intelligence,
- Automata and formal languages,
- Graph theory,
- Computational biology and bioinformatics,
- Computer networks,
- Cryptography,
- Database theory,
- Data structures,
- Computer modelling,
- Image and voice processing,
- Internet computing and Internet of things
- Logic theory,
- Neural networks,
- Parallel & distributed computing,
- Quantum computing,
- Semantics,
- Software safety and security,
- Wireless networks and Mobile computing.

Please visit the journal's homepage for further details at the following website <http://jisr.szabist.edu.pk/JISR-C/index.aspx>.

### **Submission Deadlines and Instructions:**

The deadline for submission in 2017 issue is **30<sup>th</sup> June 2017**. All the Questions may be addressed to Editor via e-mail at [m.asif@szabist.edu.pk](mailto:m.asif@szabist.edu.pk). It is anticipated that the authors will submit their papers for consideration for publication in *JISR-C* in accordance with its Instructions for Authors available at <http://jisr.szabist.edu.pk/JISR-C/Author-Guideline.aspx>.

However, acceptance of a paper for this call does not guarantee its acceptance for publication in the journal as all the submitted manuscripts are subject to successful technical review by referees, and acceptance by the Editorial Board.

Editors:

Dr. Muhammad Altaf Mukati  
(Editor In Chief)  
Dr. Muhammad Kashif  
(Editor and In charge Publications)  
M. Asif  
(Associate Editor)

The Editorial Office looks forward to receiving manuscripts in response to the call, and is happy to respond to inquiries from interested authors.
